- Builders Center report / Base Ops report
 - There is Base Ops storage space (approx. 12x9 office) available in A330 just north of Dome 3 (Chino Aviation) outside the airport fence. No response from Maureen on final Use Permit wording.
 - James Jenkins says there may be Port-A-Port individual hangars that are unused and may be available to the chapter for builders – James Jenkins to look into the possibilities.
 - The Dome 4 fire site is full of toxic waste and requires environmental cleanup to the tune of \$1m +. SBD Co now has the insurance and resources for the cleanup in place and should start in the coming months. They will advise us when we can be present outside the fence to direct the cleanup crew to retrieve any items from Base Ops that may be salvageable (such as tools).
 - Fire Marshall Investigation is complete and no definitive cause found.
 - Our insurance claim for our property lost in the fire has been rejected by SB County. We need to decide whether to pursue the claim further in the court. Will hold off on further pursuing property loss claim pending discussion next meeting.

OPEN / NEW BUSINESS:

- Need ideas for new funding sources, since Chino Airshow is unlikely in the future.
- CHAPTER ELECTIONS – still need Secretary to replace Jim Barry
- We received the \$3,000 grant from Parker (kudo's to Louis) for Air Academy scholarships for Basic Camp.
 - Jim Randall reserved 2 spots for 2024 Air Academy Basic Camp. One each for session 1 and 2. Candidates 14-15 years old.
